BINGHAM TOWN FAIR 13TH JUNE 2015

What a day the weather could not have been any worse if it had tried! A big thank you for all those of you who ventured out to the Market Place & Robert Miles School Field from traders, volunteers and members of the public.

Believe it or not despite the weather and low attendance I have received positive feedback from those who actually attended.

If you have any ideas as to how the Fair can be improved by all means contact the office and your ideas will be investigated.

Once again a big thank you to all those who attended and look forward to seeing you next year on a bright, sunny day hopefully.

Whilst it may be a few years before the market place looks anything like it used to hopefully it is sustainable for the longer term and less hazardous.
